

A Bonnie Mohr print titled “Big Plans” will be sold at the start of the National Convention Sale.

The framed print was graciously donated by Bill Ransdell, Salvisa, KY, in memory of long time Holstein enthusiast, Agri-Graphics photographer and special friend, Craig “Pogo” Johnson.

Proceeds from the sale will benefit the Indiana Junior Holstein Association.

Payment made accordingly and given to Robin Matlock.

The following items will be on display at the Convention Center near the sale site and will be sold by auction Tuesday evening, July 9 during The Social (at Sale Site).

These items are provided by Vicki Johnson, Craig’s wife and proceeds will go to the family.
