Tim is definitely not a politician, salesman, or motivational speaker. Tim is a Florida dairy farmer and stand-up comedian otherwise known as "Tim the Dairy Farmer". His experiences on and off the farm allow him to bring out the humor of everyday farm life. You don't have to be a farmer to understand Tim's humor. Whether or not you are blue collar, redneck, or even a city slicker Tim will have doubled-over with his laughs per minute style.

Tim travels the U.S. and Canada performing at agricultural related events. Tim's true passions in life are farming, eating beef jerky and making people laugh. [www.timthedairyfarmer.com](http://www.timthedairyfarmer.com)
